Pay Your Bills Online It's Easier and Safer

Online bill payment saves you the bother of hand writing checks and using envelopes each month. Plus, you'll save on postage! Online transactions via secure websites are much safer. With today's identity theft issues, that's a real concern.

Bill Pay can be accessed only through your WSCU online banking page. All you need to do is enter your payments and payee information. Then your bills can be paid automatically on certain days each month. Or, you can go into the site and make the payment each month. Either way, the amount transfers electronically from your checking account

to the payee. Bill Pay allows you to set up alerts, via email /text message,

to keep you informed on your monthly financial responsibilities. The alerts allow you to stay informed on your scheduled payment(s) status.

Online Bill Pay is really easy to set up. One of our friendly Member Service Representatives can help you get started! Call us today at 970-330-9728.
