AUGUST 2017

New Look HomeLink is Getting a Face Lift

WSCU is going through a conversion to an upgraded online banking product. It will still be called HomeLink. There will be a new look and feel, with additional features.

HomeLink will NOT be available on Monday, August 21st. It is scheduled for a face lift on that day.

HomeLink currently looks like this after you log on:

HomeLink will look like this after Aug 21st:

Next page after you log on:

Your account data will be listed below the above header.

New Features Some changes

One new feature will be a water mark (a small picture) that you pick out from a selection of pictures. This is another level of security we will offer with the new HomeLink.

Another new feature is to create a dashboard. On the dashboard you can have everything that you like to do when you go onto HomeLink. For example, one may create their dashboard to show the balances of their accounts and the transfer tool. Because the first thing you do is look at balances and the second thing you always do is transfer funds. This will be a very adaptive environment.

The look will be updated with area tabs across the top row, menu tabs under that, and sub-menus on the drop downs when you hover your pointer over the area.

You will still access HomeLink by going to www.WeldSchoolsCU.com and signing on as you do now.

The first time you log on you will be instructed to pick a water mark and pick answers to 3 security questions. Then pick a password reset question and answer. After the initial set up you will be good to go!

Other New Looks

WSCU's Mobile app will be getting a new look this fall. DataCheck, our phone banking system, will get an upgrade in October. Currently we don't know if that will be a new "sound" or menu... stay tuned!
