Thank You

For your patience during the construction project. We have taken out the old ATM kiosk, poured a new concrete pad, installed a new kiosk and replaced patches of sidewalk in front of the Credit Union's front door. We have also replaced sections of the curbing in the parking lot. This is just regular maintenance as needed to keep your credit union building in tip top shape. Thank you for your loyalty and perseverance during our construction.

Volunteers Needed

The Supervisory Committee is the "Watch Dog" for the Membership.
