Breathing Room with SKIP-A-PAY

Do you wish you had more money for vacation?

One thing that may help with loans from Weld Schools Credit Union is called SKIP-A-PAY. You may do this online with any of your loans that qualify. You must have your loan for at least one year, with good payment history, and request the SKIP-A-PAY before the payment is due. You may do this once a year and can go to WSCU's HomeLink (online banking site) to do this. Once you have logged into HomeLink, go to the services tab, scroll down to SKIP-A-PAY, and all the eligible loans are listed. It is that easy! So just BREATHE!

Please note: SKIP-A-PAY adds the payment skipped to the end of your loan and interest still accrues; however, there is no extra fee!

A Letter From Your President

Hello Everyone,

This 83-year-old credit union that you are a part of, is, and has been a rock of stability over the years. The economy changes, the business environment evolves, the county has more and more people, businesses, and activities, and no matter what changes we stand here with you. Most other credit unions are headquartered elsewhere, and that means your accounts and activities with them supports outside interests. By comparison, we were founded in 1936, in Weld County, and we will continue to serve you today as well as long into the future. Every penny stays in Weld County, to the betterment of the community.

From the earliest days the credit union's mission has been about the schools and community, and as we grow, we continue to become more community focused. You are probably aware of our Education Assistance Fund and that we have given over \$125,000 to the Weld County classrooms. Did you also know that every time you send a new member to the credit union, a donation is made to either the food bank or the homeless shelter on their behalf?

Not only are we close to you as members, we are involved in the community. You already know how our small size and local roots is an advantage when doing business as a member, but I wonder how many of you know just how involved we are in community organizations. Our leadership team not only promotes WSCU's involvement in the community, we are personally involved in many local charitable organizations. We have ongoing involvement with the Greeley Area Chamber of Commerce and meet regularly with community leaders. Our professional and personal involvements include donations of time and money to the Guadalupe Community Center, Weld Food Bank, Kiwanis Club of the Rockies, Knights of Columbus, Meeker Elementary School Accountability Committee, Junior Achievement, A Woman's Place, Community Grief Center, Greeley Transitional House, Humane Society, Success Foundation, Children's Chorale, Greeley Philharmonic and Festival of Trees.

We are rooted in the schools and branching out to the community; and your membership supports many good things. Thank you for all of your referrals and business, which helps us to fulfill our mission and goal of *'people helping people'*. We are always looking for ways to better communicate our community focus because the growth from that helps to ensure a long term future, and so please keep sending your friends and family to join us.

Thank You and have a Great Summer!

Dave
