Shred and E-cycle Day a Success!

It Pays to be a Member

Weld Schools Credit Union held a member shred and electronics recycle event on May 11th from 9-11. During this event we met approximately 500 members and collected 122 screens (TVs and monitors) and 15 projection TVs including some old 1950 and 60s models. In addition to over 2 and 1/2 TONs of e-waste! We almost filled 2 huge trucks full of shred! This is at a substantial cost to your credit union because we know it brings great value to you - our members while solving an important community issue.

Next year - we will ask for proof of membership for the electronics recycle day. Proof of membership can be in the form of debit/credit card, check book, deposit slip or a statement. We need to ensure that this event continues to be a "Member Only" event because it "Pays to be a Member!"

Pile of electronics to be recycled.
