OCTOBER 2017

President of WSCU Retires September 20, 2017

New President starts October 2, 2017

Connie Cannone retired from her position as President of WSCU on September 20th, having given the board two months notice.

The WSCU volunteer Board of Directors then worked diligently to advertise the open position, sort through resume's, interview candidates, make the offer, have background checks completed, then announce to the staff the new president... David Brown will be filling the position of President of WSCU.

The staff and board were very sad to see Connie leave WSCU after working 22 years in a variety of positions. The last was 17 months as President.

David Brown will be starting on October 2nd and the staff, board and committees are very excited to welcome him and get to know him. More information on Dave will come in future newsletters and you will be able to meet him live and in person at the WSCU Annual Meeting on February 24, 2018!

Change in Wire Fee

Effective January 1, 2018

INTERNATIONAL CREDIT UNION DAY

The History

ICU Day has been celebrated on the third Thursday of every October since 1948.

It's a day to celebrate what we most love about credit unions!

ICU Day is commemorated by credit unions and their members all over the world with picnics, parades, contests, fundraisers and more.

The Theme

The Credit Union National Association and World Council of Credit Unions chooses a theme for ICU Day each year.

This year's theme is "Dreams thrive here."

Our credit union is the place that makes your dreams come true!

We know how much you love belonging to your credit union!
Here's why we're going to go all-out on ICU Day – we have so much to celebrate!

Our members always come first

Without Wall Street to please, we can fully focus on keeping you (our member-owners) happy. And we do!

Lower fees

Our fees are generally lower than bank fees. We have lower operating costs than the big banks – so we pass those savings on to you!

We've got your back

We're family, and family sticks together through thick and thin. We'll take the time to understand your unique situation with every loan decision.

Better dividend rates

You want your money to grow as much as possible. And so do we! Credit unions generally offer higher dividends rates on their savings accounts and lower interest rates on loans. We want what's best for you!

WSCU Celebrated International Day of Peace

Thursday, September 21, 2017

We had this lovely "throwback" VW bus parked in the WSCU lot to create the "vibe" as we celebrated the International Day of Peace. It was far out and groovy!

Thank you to owners Bob and Lynn P. (member) who loaned it to us for the day!

We took a ton of pictures with this 1977 VW Bus beauty!
