Please read the following Weld Community Credit Union Education Assistance Fund Program Guidelines:

- Applications will be reviewed twice each year (February and October), within one week after the application date. Final decisions will be made in a timely manner after review.
- Approved applications will have checks mailed to the school building in the member's name and the school building name.
- Declined requests will be mailed a courtesy letter. Suggestions/advice from the EAF Committee may be included.
- Grant requests for training/education for individual teachers or school employees will not be granted
- Grant requests for field trip transportation costs will not be granted.
- Grant requests are to be for the sole benefit of students only. Requests for donations, salaries or other non-educational purposes are not eligible.
- Grant seldom exceed \$500.
- All recipients of the EAF Grant are asked to send WCCU any advertising produced in conjunction with the project's funding as well as stories and/or photos of the project. These will be included in a EAF scrapbook.
- Information regarding EAF Grants may be published in various publications including but not limited to local newspapers, WCCU newsletter and school district newsletters.
