Salvation Army Angel Tree

People Helping People

We have Angel Gift Tags available in the lobby. If you would like to sponsor a child this Christmas, stop by and pick out a gift tag. There are various ages and wish list gifts.

If you want to make a monetary donation, we will do the shopping for you.

Please have the *unwrapped* gifts turned in *with tag* by December 10th. Call today for details or to make a donation from your account at 970-330-9728.

The North Pole Connection

Due to Covid, Santa and Mrs. Claus had to cancel their annual visit to see you here at the credit union, **however**, the North Pole has granted Weld Community Credit Union communication access through a "Connected" Christmas Tree!

We are so excited to have a large Christmas Tree in the corner of our front parking lot. Your child can talk to it, tell it what they want for Christmas and you can take pictures or video this magical experience. The Communication Center will speak with your child and will relay the message to Santa and his Head Elf so that nothing will be missed.

The "Connected" Christmas Tree will have communication with the North Pole from December 16-18, 2:00-4:30 p.m.

Social distancing is still important and you can line up in front of the "Connected" Christmas Tree. If the weather is too cold, windy or snowy, an elf will take your phone number and you can wait in your car, the elf will call when it is your turn!

Please join us in the fun!

Supervisory Committee Opportunity

People Helping People

The Supervisory Committee is a vital group to our organization directing internal audit activities to determine that corporate records are prepared accurately; verifying whether internal controls, policies and procedures are maintained/followed; and monitoring performance to ensure that elected officials are carrying out duties for which they are responsible. This helps to ensure we operate in a compliant manner with safety and soundness foremost. As a member-owner, you are already aware of how we are 'people helping people'; and, this committee plays a key role in supporting that mission. We rely on our distinguished volunteers to help us achieve our goals to benefit the entire community. The committee meets once per month to review regular business as well as to delegate one member per month to attend/monitor each board meeting. Previous members have used this service to aid them in later service on the board (if desired).

Currently the Committee is meeting on-line or by phone to ensure social distancing. All the training can be done online as well. So if you want to learn about your credit union and how it all works we invite you to apply!

You will receive training, learn a lot, and can feel great about giving back to your community and credit union. After all, helping others is the very core of the credit union philosophy. Apply today by submitting your brief resume and cover letter describing your motivation for this position to WCCU, Attention: Ken Blehm P.O. Box 336485, Greeley, CO 80633 or email to weld.supervisory_committee@gmail.com Questions may be directed to the email address given.

Cleaning Continues
