Fraud Center Do's & Don't

In our continuing efforts to keep your accounts secure and our fees low, we want to review WCCU's fraud alert system for potential fraud.

Here's how it works:

1. When potential fraud is detected, you will receive an automatic email notification from Weld Community Credit Union, with the option to reply with "fraud" or "no fraud." **DO** reply to this with your answer.

2. One minute after the email, you will receive a text alert from 32874 between 7am and 9pm, which also has the "fraud" or "no fraud" option. **DO** reply with your answer.

3. If there is no response received from you, five minutes after the text alert, you will receive automatic phone calls to confirm or deny fraud. **DO** confirm or deny.

Remember – our messages will *never* ask for your PIN or account number. **DON'T** ever provide your PIN, Account number or any other personal information. We don't give out the phone number for the Fraud Center because bad guys can spoof that number. **DO** limit your answers to yes or no, fraud or no fraud; then if it is bad guys, they don't have any of your information.
