A Letter From Your CEO

Hello Everyone

Weld Community Credit Union is experiencing record growth!

A big THANK YOU to our members! Word is getting around, and thank you for your part in this. Each month, the majority of our new members come from you telling others what a good deal it is to be a credit union member. This is especially true when you let people know about our loans. Not only does that help your credit union, but it also helps your family and friends who will save money each month. The more members we have, the greater our ability to continually offer more convenience and service.

Sincerely,

Dave

Mr. Mann as he is known to us at Weld Community Credit turned 100 years “young” on June 24th of this year. Mr. Mann has been a member with us since 1979 and has a deep resonating voice that we hear throughout the lobby when he visits us in person! He always brings a smile to our faces when we see or “hear” him. We wish him “HAPPY BIRTHDAY!”

Woofstock is coming!

Weld Community Credit Union (WCCU) is bringing another summer event to you. Woofstock is an event to raise donations for the Humane Society of Weld County.

The Humane Society recently found homes for 40 animals but took in 47 new animals! Their intake has increased over 45% from the same month last year. They believe it is due to people returning pets adopted during COVID as people return to their busy lives.

The event will be held August 14th from 9-12 at WCCU. This will be an adoption party as well as T-shirt tie dyeing for the first 150 people, fun music and photo opportunities.

Please bring a monetary donation or anything from the wish list:
