A Message from our CEO

Hello Everyone

The shred day did not work out this year, and so we had an idea – how about Shred All the Time?! It pays to be a member, and so this is how. Once-per-month, you may come in to the lobby with a reasonable amount of shred to catch up on. The amount will be limited to no more than 1 ream of paper approximately, per month (that is about 2 inches). Please Check In at the reception first each time to show your debit card, credit card, or savings account card to the receptionist before putting any shred in the bin in the lobby. That will help it remain a member-only benefit so that the program does not get abused. We think you'll find this program beneficial, but if it does not work out we will return to the once per year event (and will call our approved vendor much earlier next year so they have a weekend available).

We're looking forward to seeing you more often and so, stop by today and shred some paper, make a deposit or take out a loan.

Thank you for being a member!

Dave
