JULY 2022

Another Scam!

This time the scam is with mobile deposit. Mobile deposit is a feature on the Weld Community Credit Union's mobile banking app. This is where you can take a picture of a check and deposit into your account. The mobile deposit is a great way to get a check to the bank without leaving your home; however, as with anything to do with banking, one must be careful. Here are a few tips:

1. Do NOT deposit checks that you don't know where they are from. (Not just from someone on the internet.)
2. Do NOT take a check for more than the amount, and they say just send back the extra in gift cards.
3. Do NOT spend the money until the hold is released and you know the funds are valid.
4. **Do NOT ever give anyone (business, other banks, family, friends, et al) your login name, PIN or credentials.**
5. ALWAYS wait for 5 days for the mystery check to clear.

When depositing a check with mobile deposit only the first \$225 will be available until the check clears the system.
