Couture to the Max: Meet Max Alexander

Max Alexander, is a pint-sized fashion prodigy who's been designing threads since he was 4-years-old! Max was born in sunny Los Angeles in 2016, to a mom who's an artist and dad who's Canadian. He graduated from Little Dolphins by the Sea, an epic preschool that's all about art expression, in 2021. While there, he fell in love with the works of art legends like Vincent Van Gogh, Yayoi Kusama, Frida Kahlo, and Alexander Calder.

Max's love for fashion began at the age of 4 when he told his family that he wanted to be a dress maker. Max's mom encouraged him to drape, design, and sew to his heart's content. His first designs were a wild mix of ribbons, feathers, plastic wrap, and scraps of fabric, held together with knots and tape. But as he learned to sew, his style got more refined, and soon he was ready to show the world his creations. At just 5 years old, he started taking formal sewing classes and the rest is history!

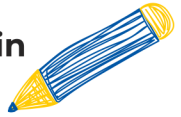

In summer 2021, Max debuted his first-ever collection, and boy was it a hit! He even had a runway show in his hometown, Los Angeles, which was a total success. So, whether you're 7 or 70, there's no age limit on being a fashion icon!*
