Member Appreciation Week So Much Fun!

Thanks to all of our members for stopping by the festivities during the week of May 28th - 31st. We had a great time seeing everyone and their families as they came out to enjoy the special treats, staff in costumes and the Alpacas!

Thanks also to Laura from Sunrise Silhouettes for bring out Zappa and Hudson. Laura is a very patient person with all the questions and talking to all ages of people.

More pictures on pages 2 and 3.

In case you haven't seen our message in the Greeley Tribune, we thought it was worth sharing with you also.

A Message to Our Community

When you bank with us, you're not supporting slick TV commercials, glass tower in a big city, or name on a stadium, but you are re-investing in Weld County initiatives through our focused and local charity efforts.

With less overhead we are able to offer you great rates, and more important we are your friends and neighbors who are all about helping you.

Weld County is a special place where we know what it means to work hard to make great things, while at the same time enjoying the beauty and outdoor fun of Colorado.

Did you know, we are 1 of the only 2 credit unions headquartered in Greeley, and we've been here for more than 85 years? And, simply by living or working in Weld County, you too can be a member.

So I challenge you to compare us with the others and see what it means to "Gain the Local Advantage".

Sincerely,

Dave Brown, CEO
