Summer Activities (on a budget)

Summertime fun does not have to cost a lot of money! Make going outside in your yard an adventure! Look for birds, rocks, flowers, leaves, bugs and so much more. Create a fun game with a scavenger hunt for all the things you find in your yard or while on a walk to the park.

You can use things you find in nature and recycle household items to create a magical fairy house. Use small cereal boxes or plastic cups for the building structure. Then collect grass, leaves and rocks to glue on the outside to make a fairy feel at home.

Grow fresh herbs in a container garden. Use old coffee cans, jars, or plastic cups to plant your herbs in. Once they've been planted, you can place them on a windowsill or on a patio and watch them grow all summer.

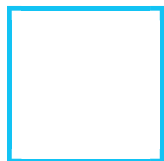

While you're outside soaking up the sun and exploring the great outdoors, take the time to look up. Lie down and watch the clouds. How many shapes can you find in the sky?

It's easy to get stuck inside when it's hot, but going out and enjoying the day will bring joy to your life and a little adventure too. Remember to wear sunscreen and drink plenty of water!
